Book Synopsis

Paperback. Pub Date: 2008 Pages: 407 Publisher: Lippincott Williams & Wilkins Risk Management for the HealthFitness Professionals addresses legal issues in Health and Fitness. Arena This book will provide basic knowledge of the law applicable to the healthfitness field and specific risk management strategies that healthfitness professionals can implement to minimize legal liability. It offers healthfitness students and professionals a greater understanding of legal issues such as pre-activity screening, emergency procedures, instruction, supervision, and exercise equipment issues. The book will take a practical approach using cases to illustrate legal concepts.
