## Book detail

- Title : PDF Online CPT Case Studies: Examples of Procedures and Services - Read Online
- isbn : 1622020286

## Book Synopsis

This is the only reference guide with practical case studies approved by the CPT(R) Editorial Panel that provides real-life official description of service for more than 1,000 most-reported CPT(R) codes. Procedural scenarios and illustrations provide a powerful tool for reporting services. This comprehensive look at the codes will allow coders to better understand the clinical meaning behind each code.
